

Cootie Catchers - How to Play

1. Find a friend and ask them to pick one of the colours written on one of the flaps, i.e., Orange.
2. Spell the word “Orange” out loud, moving the flaps once in and once out and side to side in time with the letters.
3. Open the cootie catcher to reveal the numbers and ask them to pick a number. Count out loud, the number they have chosen, once again moving the flaps once in and once out and side to side for each number. Stop at the number they choose.
4. Ask them to pick another number and count it out in the same manner.
5. This time ask them to pick a third number and reveal the secret phrase on the inside flap.
