

Personal Injury

About this Area of Expertise

The Boughton Personal Injury Law Practice Group has a combined experience of more than 70 years in helping clients reach their goals. Our lawyers have experience at all levels of court and are skilled in alternative approaches to achieving settlement including arbitration, mediation, and negotiation. Learn more about our Personal Injury Practice by viewing this video .

Our speciality is total disability and catastrophic claims such as brain injury and spinal cord injury, however, our team handles a broad range of personal injury cases, including:

- fatal accidents/wrongful death claims
- motor vehicle accidents
- aviation and maritime casualties
- disability claims
- medical malpractice
- slip and fall

We actively monitor our clients' rehabilitation and assist them to achieve their goals for medical recovery, and workplace and financial security.

Representative cases:

Our lawyers have represented clients in major cases including:

- Counsel for quadriplegic plaintiff in this action involving the issue of an employer supplying alcohol to its employees during work hours and its liability in those circumstances.
- Defended an insurer including the dismissal of a quadriplegic claim against a manufacturer of a pool slide which leave to appeal to the Supreme Court of Canada was refused.
- Counsel for the Plaintiff who was awarded one of the largest awards in British Columbia for the wrongful death of a child.
- Successfully defended an insurer against a claim for brain injury and significant physical disabilities.
